

PABCO® Roofing Products

product: Paramount®
color shown: Oakwood

Featuring

Algae Resistant Roofing System

Scotchgard™ Algae Resistant Roofing System
is not available in all markets.

Recommended by professionals.

"Legends Roofing is proud to install PABCO Roofing Products on our customers' homes. Their shingles are consistently the high quality choice and are always priced competitively. In particular, Paramount is a great product for replacing cedar shake roofs. The PABCO sales team understands the needs of smaller contractors and is there to provide personal assistance and support."
